Intensive 3-day Workshop on Model-informed Drug Development
April 2–4, 2020 • Cape Town, South Africa

Certara-Simcyp Hands-on Workshop

This tailored workshop on in vitro–in vivo extrapolation of metabolism, transport, and biopharmaceutics includes hands-on exercises using the industry standard Simcyp Population-based Simulator for PBPK modeling, formulation development, and DDI predictions. This workshop is intended for scientists working in discovery DMPK, metabolism, transporters, DDI, and formulation development areas of research.

WORKSHOP VENUE

Cape Town Marriott Hotel Crystal Towers
Century Boulevard, Century City, Cape Town

Accommodation is not included with registration.

Full Workshop: (Excluding VAT)
